Brachot Surfaces produces high-quality slabs of natural stone and blended materials (Unistone, Uniceramica, Unimarble, Terrazzo). Combining technical innovation with many years of expertise, this Brachot Family Member offers complete materials for interior and exterior finishing. Thanks to its ample knowledge and experience, Brachot Surfaces is also the ideal partner for selecting and purchasing blocks of natural stone.

Brachot Surfaces' Uniceramica ceramic collection offers 13 Italian designs at a competitive price-to-quality ratio. Uniceramica is suitable for use as flooring, stairs, or wall cladding. It is also suitable for use as a kitchen worktop or in damp rooms, such as the bathroom.
